EQUIPMENT INSTALLED & SETTINGS	CAPACITY	HARDNESS	SALT	ON-SITE SERVICE

Diamond H2O proudly warrants the original Consumer/Purchaser against manufacturer defects in material from the date of the original purchase. Warranty covers purchase of new equipment only.

Warranty coverage is as follows:

- CONTROL VALVE: 2 Years
- MINERAL TANK: 2 Years
- BRINE TANK: 2 Years
- *Additionally Diamond H2O will test your water for Hardness & Iron at no charge. This service is to be performed at authorized Diamond H2O Office only.*

WARRANTY EXCLUSIONS:

- This warranty does not cover defects caused by Accidents, Fire, Flood, Acts of God, Neglect or Mis-Application. This includes, but is not limited to the following:
 - Sediment from the Water Supply (Well)
 - Modification of Water Softener Settings.
 - Use of Poor Quality Salt.
- Due to varying water qualities and customer water usage volumes, media cannot be warranted for a specific life span.

ON-SITE SERVICE WARRANTY:

- On-Site Service Warranties may be purchased before installation by a Diamond H2O Certified Technician, as follows
 - 2 year On-Site Service Warranty - \$120.00
 - 3 year On-Site Service Warranty - \$180.00

Service Calls that are deemed not to be covered under manufacturer warranty, or are past the On-Site Service Warranty period purchased, Diamond H2O reserves the right to invoice customer based on current Trip & Service rates.
